**Monsieur le Président
de la Conférence Régionale des Universités
de l'Ouest**

OBJET : appel à candidatures.

J'ai l'honneur de vous faire parvenir, ci-joint, pour diffusion, un appel à candidatures pour le programme de renforcement de capacités dans le domaine de la santé ICMR/CSTRA-UA, en direction des institutions scientifiques et académiques des pays membres de l'UA, lancé par la Commission Scientifique, Technique et de la Recherche de l'Union Africaine.

La date limite pour le dépôt des dossiers de candidature est fixée au 29 février 2020.

Une note de conceptuelle, un formulaire de candidatures et un guide ICMR/CSTRA-UA sont joints en annexe.

Pour plus d'information, veuillez consulter le site suivant:

<http://www.autrc.org>

A ce sujet, je vous saurais gré des dispositions que vous voudrez bien prendre en vue d'assurer une large diffusion auprès des établissements universitaires de la région Ouest.

APPLICATION FORM FOR ICMR/AI-STRC TRAINING COURSE 2020

FOR OFFICIAL USE:
ICMR/AI-STRC Fellow no. _____

Name of Indian Institute _____
Name of Training Course _____
Training Course Code _____

Name of Applicant _____
(First Name) (Surname)

Designation _____

Name/Address of Parent Institute (Present) _____

Permanent Address of Applicant _____

Contact no. _____

E-mail address _____

Date of Birth _____

Name of the Country of citizenship _____

Age as on last date of submission of application _____

Gender- Male Female

Travel Documents

- Passport no. _____
- Date, Place of Issuing _____
- Expiry date _____

- Issuing Authority :
- City of Departure :
- Nearest Indian Embassy/Hon Commission (for visa application) :

Academic qualifications:

Degree	Board/Univ.	Passing Year	Subjects Major	Class/sem/grade (percentage)

Detailed experience in the proposed area of training (not more than 200 words)

List of publications in the area (if any):

Brief write-up on:

- I. Objectives/need to undertake training in the proposed Indian institute (not more than 200 words)

- II. Justification and relevance to ongoing/future programme(s) of the parent African institute (should not be more than 200 words)

ICMR/AU-STRC CAPACITY BUILDING SCHEME

TRAINING COURSES IN INDIA 2020 1st Call for the Year 2020

FOR

HEALTH PRACTITIONERS/ RESEARCHERS

CALL FOR APPLICATIONS

The ICMR/AU-STRC Health Sciences Cooperation is developed in response to the outcome of the landmark India Africa Forum Summit (IAFS) III, October 2015 that was hosted by the Honourable Prime Minister of India.

This cooperation is set up to leverage resources through innovative inter-disciplinary, multi-sectoral partnerships to capitalize on regional diversity and complementary strengths to enable and nurture an ecosystem that has a strong impact on transforming the health standards of the population.

To guide and institutionalize this cooperation, a Memorandum of Understanding (MoU) was signed between Indian Council of Medical Research (ICMR) and the African Union Scientific Technical and Research Commission (AU-STRC) on the 27th March, 2019. To this effect, ICMR/AU-STRC Health Practitioners and Researchers Capacity Building Scheme is designed to build the capacity of approx. 400 African health practitioners and researchers over a period of 3 years.

To achieve this scheme's objectives ICMR in collaboration with AU-STRC has embarked on training of the African researchers at some of the ICMR institutes in India.

The list of training courses being offered by ICMR/AU-STRC for the 1st Call for the year 2020 is listed below. The eligibility criteria and duration of courses is indicated against each course.

Person to be contacted in case of emergency

Guidance for ICMR/AU-STRC Health Practitioners/Researchers Capacity Building Scheme
(Training Courses in India 2020)

Introduction

The ICMR/AU-STRC Health Sciences Cooperation is developed in response to the outcome of the landmark India-Africa Forum Summit (IAFS) III, October 2015 that was hosted by the Honourable Prime Minister of India.

This Cooperation is set up to leverage resources through innovative inter-disciplinary, multi-sectoral partnerships to capitalize on regional diversity and complementary strengths to enable and nurture an ecosystem that has a strong impact on transforming the health standards of the population.

To guide and institutionalize the cooperation, a Memorandum of Understanding (MoU) was signed between Indian Council of Medical Research (ICMR) and the African Union Scientific, Technical and Research Commission (AU-STRC) on the 27th March, 2019. To this effect, ICMR/AU-STRC Health Practitioners and Researchers Capacity Building Scheme is designed to build the capacity of approx. 400 African health practitioners and researchers over a period of 3 years.

To achieve this scheme's objectives, ICMR in collaboration with AU-STRC has embarked on training of the African researchers at some of the ICMR Institutes in India.

Guidelines Governing the Training

- a. The individual availing this training would be addressed as an ICMR /AU-STRC International Fellow.
- b. The training will be conducted in English.
- c. The Fellow will be entitled to a stipend of Rs.2, 500/- per day.
- d. Subsidized institutional-guest-house accommodation will be provided to the trainee during his/her sanctioned period of training.

	<p>331 416</p>	<p>Master's program Program in Adult Health Certificate and Health Care's Learning Exposure Program</p>	<p>Course work for 12 weeks online</p>	<p>Master's graduate Nurses and Registered</p>	<p>Jan 08, 2019 - Sept 01, 2020 at 08:00 pm - 0:00 pm (24* week weeks)</p>	<p>The course is a two-semester program for nursing students. It is a 12-week program. The course is designed to provide the students with the knowledge and skills to work in the field of adult health care. The course is designed to be completed in 12 weeks, and is held by students...</p>
